Cong Go Down to Defeat In Big Baseball Contest Tuesday

A. L. Castle Blanks Invaders in Eight-Inning Battle—Mudd and McClintic Play Real Baseball—Clarence Cooke Shows Real Ability in Play Around Keystone Sack—Locals Hammer Mudd for Three Runs in Opening Canto—Governor Starts Off

"Vini Vidi Pau."—This phrase which was taken from the original Sanskrit long before Eliza started the new skating craze, was inscribed on goat-skin yesterday afternoon and presented to the members of the congressional party. Reason for same being that the legislators saw the congressmen coming and they likewise saw them coming, and won a perfectly grand ball game by the score of 6 to 0, which somewhat resembles a football score.

There were in the neighborhood of about 764 spectators on hand yesterday afternoon at Mollili Field who witnessed the diamond melee, and there were about 757 of them who thought perchance the game might be a C. Chaplin affair, but it wasn't, and out of the game came heroes, hoboes and many who may wear the laurel in all justice.

Castle Starred
A. L. Castle, the blonde heavier for the Legislators, had everything yesterday and he had the Congressmen dining on his phalanges throughout the session. And he was ably supported by his teammates who went to the fore and collected a Floradora score. During the battle on the left sector he sent six of the law architects of our nation back to the dugout, the Floradora feature coming in once again.

Sydney Mudd of Maryland also deserves a great deal of praise for the manner in which he performed on the hilltop. He played real baseball from start to finish, and with James McClintic behind the bat, handled their end of the game in real shape. The battery work of this pair would do justice to Johnson and Ainsmith. Big Sam Nicholls was the batting star of the day, getting three safe clicks off Senator Castle.

Governor Starts It
Governor Lucius Pinkham started the fireworks by shooting over a fade-away to General Sam Johnson, who was behind the plate. Mayor Joseph Fern made two wild swings and was called out on the third one. Then Glenn Jackson started things off with a real pep by announcing the men who were to take a prominent part in the struggle.

Our home town boys, who had been studying the early bird articles, went out after Mudd in the first canto, and proceeded to knock the last d out of Mudd. Miles started out with a pretty double to Maine, and Eddie Fernandez laid down a pretty sacrifice. Then Castle hit a hot one to Kuhlro and was safe. Kawa, which is the Hawaiian name for Benham of the Coast Defense, then started the fireworks with a four ply swat out Minnesota way. Bland returned the throw late in the day.

Chillingworth marched to the plate and clicked one of Mudd's choicest shoots for a clean single, but Cooke and Wilder went out in order, ending the struggle.

Cooke in Limelight
From that time on it was a real ball game and out of the plays of the day Clarence Cooke stood out as the real star. He got everything that came his way, and accepted a number of chances which would have been hard plays for a regular big leaguer. Cooke cut off three runs during the session.

That Castle and Mudd are two joke pitchers was appreciated after they got in action, and the spectators witnessed some real hurling. Castle had the advantage in strikeouts, while Mudd allowed one less hit. The local pitcher was especially effective when men were occupying the baselines. The Congressmen had been on bases in every inning, but the invaders

could not hit with men on bases. Once in the sixth Kuhlro's protegee, Bailey, had an opportunity to make good, but the Texas star failed. Kupieha, who much resembles Phelps, hit to the field on three occasions.

Carter, Grabs One
Carter of the invaders made the feature play of the day when he raced far over on the left field line and grabbed Wilder's high fly. He was given a real hand, Clarence Cooke almost broke in with a pretty stop and throw of Kuhlro's hard hit ball.

Castle and Wilder were the leading hitters for the local contingent, while Nicholls, Kuhlro, McClintic and Carter were the star swatsmen for the Congs. Charles Chillingworth made a beautiful stop of three hard hit balls but his range finding apparatus was weak in the pinches. Once the local law maker watched the ball sail into the ozone, and failing to locate his binoculars, discovered that Newton's law of gravity was real in every sense of the word. Billy Miles has been on the pipe line, which caused him to be somewhat doped in two innings, and although he had Gene and Gertrude H. backed off the boards in terpsichorean stunts, he didn't do anything that would make Ty Cobb stay up nights worrying.

The congressmen appeared upon the field in Star-Bulletin uniforms, and despite the added weight this gave them, the legislators, who wore Frank Coombs' baseball suits, did themselves proud. Sam Nott brought out enough Reach balls to last although there were several knocked over the garden wall.

Very Good Eddie
One of the features of the day was the music furnished from the grandstand when the Royal Hawaiian band played a number of selections. When Wilder came to bat the band played "They're Going Wilder Over Me." Fernandez doubled and the band played "Very Good Eddie."

A number of the young ladies from Punahou collected a goodly amount for the Red Cross. Carrying little baskets they passed through the stands and the spectators responded nobly. The Red Cross society is indebted to the following ladies for their interest:

The Committee
Mrs. Charles Chillingworth, Mrs. Augustus E. Murphy, Mrs. A. G. M. Robertson, Mrs. W. L. Moore, Mrs. Gerrit P. Wilder, Mrs. S. C. Huber. The young ladies who assisted were Miss Elizabeth Wall, Miss Mildred Church, Miss Rhoda Ballentyne, Miss Elizabeth Hobdy, Miss Mary L. Smith, Miss Jessie Baldwin, Miss Mary Walke, Miss Dorothy Winter, Miss Maile Vickers, Miss Leinani Chillingworth, Miss Dorothea Cooke, Miss Stella Hoogs, Miss Lucile Hoogs and Miss Gerd Hjorth.

BEES LOSE OUT IN PALAMA TILT

The balls were flying through the air like birds and the boys were running around the bases like a merry-go-round. That tells the tale of the indoor baseball game between team A and team B in the Junior club at Palama. Ah Shan Tyau, captain of the A team, pitched a pretty good game at that, and if he holds up he will be one of the leading pitchers of the islands in a few years. Team B was weak in the pitching staff. They tried out three men, but none of them were very good. They will remember this defeat, 40 to 15, for a long time as it is the worst defeat they have received this year.

The lineup was as follows:
Team A—Ah Shan Tyau (capt.) p.; Lin Quon, c.; Ah Fong, 1b.; Frank Danti, 2b.; Alex Tellos, 3b.; Bung Yun, ss.; Richard Borgess, lf.; Tim Chee, c.; John Lovell, lf.
Team B—Wong Pong, p.; Look Po (capt.), c.; Albert Dawson, 1b.; John Manaku, 2b.; T. Nishi, 3b.; Ah Tong, ss.; Isiah Kaakimaka, lf.; Lee Kong, cf.; George Alawa, lf.

Watch "Scotty" On Turkey Day

This is "Scotty" Schuman, who will pilot the Town Team against the Y. M. C. A. in the big game tomorrow afternoon at Mollili field. Schuman is a former Punahou star, and while playing the game in school was considered a real star in every department of the game. Schuman is anxious to win tomorrow and has lined up a strong team.

MAUI FINALS TO BRING OUT STARS

(Special Star-Bulletin Correspondence.)
WAILUKU, Nov. 26.—On Saturday last week Baldwin-McAllister defeated McKenzie-Searby at tennis in four sets. The set went to Baldwin-McAllister 6-3, McKenzie-Searby 6-2. The next set was a hard fought one, in which Baldwin-McAllister won 8-6, and the final set went to the winners, 6-3. The finals in this tournament will be played on Saturday, Dec. 1, between Baldwin-McAllister vs. Engle-Couch. In the finals of gentlemen's singles W. H. Engle and Caleb Burns met on the Wailuku Sugar Mill court last week Saturday. Before the match was won darkness came on. The fifth set stood 3-1 in favor of Burns. This entire match had to be replayed, and it was called for yesterday on the Wailuku court at 2:30. It took two hours and a half to finish the match, the sets being as follows: Burns-Engle 7-5, Engle-Burns 6-4, Burns-Engle 6-4, Engle-Burns 6-6, Engle-Burns 6-4. Seldom has a more exciting game been seen on Maui. A large number of spectators watched the match from start to finish.

In ladies' singles Miss Hoffmann defeated Mrs. Fitzgerald. This coming week will see this tournament pretty well along.

KALIHI-WAENA WINS BATTLE

Kalihi lost their first game of the season to Kalihi-Waena by a score of 19 to 6. The game was fast and one of the best games of the year. The Kalihi boys went into the game feeling confident that they would win.

In the first quarter Kalihi-Waena scored one touchdown, but failed to kick goal, neither side scored in the second quarter. In the third quarter Kalihi received the kick and a forward pass to Ah Tung gave Kalihi their only touchdown. Hippa failed to kick goal. The fourth quarter saw Kalihi-Waena come back strong and they made two touchdowns and kicked one goal.

The lineup was as follows:
Kalihi.
Kam Dick Position
Ah Tim Center
Ah Tim Quarter
Kula Ahuna Right Half
Sam Hippa (capt.) Full
Solomon Kenn Left Half
Ah Tung Chun Left Guard
George McCarthy Left Tackle
Ah Tung Left End
Wah Soon Shin Right Guard
Kam On Right Tackle
Moichi Itagaki Right End

BASKETBALL STARS TO CLASH ON DECEMBER 8

(Special Star-Bulletin Correspondence.)
SCHOFIELD BARRACKS, Nov. 26.—The Castner Five (basketball) net purveyors of harmony) accepted the challenge of Battery D, 1st Field Artillery, and a series of games will be played for the post championship, the first contest being scheduled for Saturday evening, December 8, 1917. The game will be followed by a dance and there probably will be a speech by Chaplain Fealy, as this date has been selected as the formal opening of the post gymnasium.

The Castner bunch is known to have several good players on their

BRASH AND NOBLE MAY BE IN GAME WITH TOWN TEAM

Big Football Clash at Mollili Tomorrow Attracts Much Interest Among Fans

There has been so much discussion regarding who will play in the Town Team squad on the morrow that no one knows. It has been said that Atherton Gilman will play and then denied, and it has been mentioned that Noble Kauhane and Lionel Brash will play. But Schuman said that he would not make any statement as to whether any one of these players will be seen in action.

The big game will take place at Mollili field tomorrow afternoon at 3:45, following the Pun-Kam clash at Alexander field. If Noble Kauhane does get in the lineup there will be a lot of interest taken, as he is a real star, both on the offense and defense. The Y. M. C. A. ruled a favorite at first, but at the present time the odds are about even. Despite this fact the Y. M. C. A. players and friends are taking all the bets that come their way.

"Scotty" Schuman and his crowd haven't been saying much, but are lining up a strong team for the big battle. The addition of Gilman, Kauhane and Brash will mean something, providing they play.

Captain Britton and Captain Carr will officiate at the big game, and this will insure a good feeling. The grounds are all ready for play and special bleachers will be placed for the benefit of the fans. School children will be admitted for 10 cents.

PUNAHOU WANTS TO LAND TITLE

In the few days previous to Thanksgiving Punahou is making tremendous efforts to "come back" and to show Kam and the fans of Honolulu who's who in football, for 1917.

Punahou is absolutely determined to win the big championship game. Kam has a great team; they put up a wonderful game last Saturday, and five of their best men were out on account of scholarship, at that. They will doubtless have a whizz of a team for Turkey day, but Punahou understands that fact, and the Buff and Blue is out for blood.

Pratt Is Back
Punahouites were overjoyed to see Captain Dud Pratt out in war harness again last night. Although Dud's knee has several slits in it yet, he hobbled around quite different from the way a dead one covers the ground. His leadership was again felt and the team drove into the plays with more vim than has been seen for some time past.

"Sleepy" Baldwin also has been resurrected. "Sleepy" had his knee in all sorts of braces and he avoided injuries last night. The coaches believe that "Sleepy" can be patched up for the big affray. It surely looks good to see him driving away at right half again.

Let There Be Joy
Mortimer Lydgate will again be at his old stand at left tackle. This will permit Nelson Robinson to return to his regular position at right guard, where he plays the best game of any center man in the interscholastic league. This will greatly strengthen the line and Kam will not find so much luck in their skin tackle or line plunges Thursday.

Another change that will be made for the big game is that Higgins, who has been playing at left guard heretofore, will be given a trial at right end. Holmes, who was at right end Saturday, is yet inexperienced, and will be used as a substitute. Both Higgins and Holmes have great possibilities, and it is too bad that they are in their last year at school. Higgins has played previously on the second team, whereas Holmes had never played football until Aana dropped out of school and left a hard place to fill at that end.

The team is working hard to improve the tackling, the interference and the line work on both defense and offense. Peterson will be given greater protection for his punting and passes Thursday, and it is probable that he will uncover a lot of stuff that the fans have been hoping to see for a long time.

Mahikoa will again run the team at quarterback. Pogue will be at left half, Fassoth and Alexander again at their regular places, and Kanakanui will be at left guard. It is probable that Zane may be able to be in the game again, also. He has been ill for two weeks. Emerson, Peck, Holmes, Turner, Neal and others are anxious to get into the big game.

roster, among the more prominent and experienced basket shooters being Wisniewski, Fitzpatrick, De Mott, De Vergies, Tuohy, Bernstein, Witsell and Buckland.

Many of your business trials will be over if you invest in a few pounds of the printers' ink that appears in our ad columns.

FIVE TEAMS MAY BE SENT TO HILO FOR VOLCANO RUN

Much Interest Taken in Relay Race; Coast Defense May Compete in Classic

Honolulu is making every effort to land five strong teams for the big Volcano run, which will be held on the Big Island, January 17. At a meeting last evening representatives of a number of teams were present, and the prospects are unusually bright for landing a goodly number of runners. Lieut. Tobin of Fort Kamehameha was present at the meeting last evening and brought word that he was anxious to line up a team of runners from the Coast Defense. This would include Fort Ruger, Fort Kamehameha, Fort De Russy and Fort Armstrong.

Coast Defense Team
Lieut. Tobin said that he was not worrying about the financial end of it, and if he could gather together six or seven good long distance runners from the Coast Defense that a team would be entered in the big race from the Volcano to Hilo. All runners at these posts are requested to communicate with Lieut. Tobin at Fort Kamehameha. It is expected that the officers interested in athletics at De Russy, Ruger and Armstrong will cooperate in every way.

J. J. Quinn has been busy lining up a team at Shafter which promises to be a real one. Quinn knows the long distance game from A to Z, and there is no question but what he will be able to line up a team that will have a chance to bring home the bacon. The question of finances has not been settled, but inasmuch as it will cost only \$20 a man for the entire trip, it is thought that the 2nd Infantry will be able to back their team to that extent.

Pan-Pacific Team Assured
The Pan-Pacific team is assured, and an effort is being made to line up another team in Honolulu. Stanley Carey is unattached, and will without doubt be eligible to run. Carey would like to line up a local team to run under the colors of St. Louis, and may possibly do so.

The 25th Infantry should have a team represented in the big Volcano run. Captain Carr has been at Kawaia for some time, and has not had the time to spend on getting things together, but Robinson, Pride and a number of the long distance men of the 25th are always in condition, and it has been rumored that the boys have been doing some road work on the quiet. The question of financing a team should not worry this regiment as they have always been ready to back their athletes in any thing.

Shannon Ready
Bert Shannon, one of the best long distance runners in the islands, is a member of the 32nd Infantry, and has his eye on a number of good runners. Shannon would like to run the whole distance, and he may be given an opportunity to do so, but it is expected that he will line up a team of strong runners which will be backed by the men of the 32nd Infantry.

Chaplain Fealy, of the 1st Field Artillery, has taken a deep interest in the big run, and it is expected that he will do everything in his power to secure runners from his regiment. The 1st Infantry has not been heard from as yet, but it is hoped that they will get in the running in the very near future. The same holds true for the 4th Cavalry and 9th Field Artillery.

Chinese Team?
There is a possibility that Mills may not enter the big race after all, despite the fact that the date was changed from Sunday to Monday. The students appear to be keen on backing their team, but sanction has not yet been obtained from the faculty. In case Mills does not enter Chun Lee Puck, one of the best runners in Hawaii, may decide to enter a Chinese team, and if he does so, he can rest assured that the Chinese merchants of the city will be back of his project.

Many runners believe that Mills would have a runaway race of it in the long run, but with a Chinese team and a Japanese team entered there would be lots of interest. There are a score of excellent Japanese runners in the city, and it would be a great honor for a Japanese or Chinese team to win.

Alexander Hume Ford, Joe Stickney, Stanley Carey, George Hawkins, H. N. Mosher and R. Gibbons of Mills have taken a deep interest in the big run and with others interested, it is expected that Honolulu will have five teams at least in the big race when Madame Pele sends her message to Father Neptune.

The Y. M. C. A. team is a favorite for the big game tomorrow at Mollili field. This morning the Y. M. C. A. sympathizers are laying 10 to 8 that the "Y" team will win from the Town Team. Some of the money is being gobbled up by the friends of the Town Team.

Word was received this morning that the Royal Hawaiian band would be at Mollili field at 3:30 to play for the spectators before the game and after the second quarter. Dick Whitcomb said today that there has been a big order for automobile space.
